

***Start each day with a sense of purpose.
End each day safely with a sense of accomplishment.***

That's the kind of outlook we are striving to achieve for our employees at Spectra Energy (formerly a Duke Energy Operation). We value diversity and inclusion, openness and teamwork. Ours is a high-performance culture where you're encouraged to stretch your capabilities and exercise creativity in effecting change and shaping the future.

Spectra Energy is one of North America's premier natural gas midstream companies with critical energy infrastructure connecting natural gas sources to markets and customers. Our approach extends beyond our offices and facilities into our neighbourhoods, towns and cities—through community and economic development partnerships, we cultivate talent and grow leadership.
